The clerk. Also present: Approximately 26 members of the public and Steve Cheeseman as a member of the governance committee with specialist knowledge regarding planning matters and Warmington 2031. - Cllr David Short declared an interest in planning item relating to Elton2 mineral extraction under agenda item 12(g) / minute 1320 as he currently has a tenancy licence to farm the area in question. It was not clear what the nature of his interest he was declaring.

1313. The matter of a parish council representative on Warmington Village Hall trust committee as a trustee remains in abeyance for the time being. Clarity regarding the potential individual liability on the person nominated last year as a trustee and compliance with necessary best practice and statutory requirements remains a concern due to governing document. Until the situation is clear to the satisfaction of the person involved, the parish council supports their standpoint.

1316. It was **RESOLVED** to appoint Cllr Nikki Howard as chairman of the governance committee and Cllr David Strafford as chairman of the land management committee. Should vice-chairman be deemed necessary, the committees will appoint these as appropriate.

Appointments to the committees would be ratified at the June 13th meeting of the council by which time Cllr Philip Douglas will have made his preference known. Cllr Debbi Scotting will be appointed to the governance committee.

1317. It was **RESOLVED** to approve the minutes of the Governance Committee meeting held 8th April 2019, with the reinsertion of an accidentally deleted phrase of ‘It was **RESOLVED** to remove’ at the start of 1297(g). The minutes were signed. Minutes of the meeting of 9th May meeting had been circulated in advance and would be held over to the June 13th meeting for approval.

1318. **QUESTIONS AND STATEMENTS FROM MEMBERS OF THE PUBLIC:**
• Points were raised regarding the use of orchard pocket park, with tree safety/climbing and open fires being the principal areas of concern.
• A number of points regarding the mineral extraction planning application on the agenda were raised which would be borne in mind as discussions about this matter progressed. The chairman advised the meeting that the on the following Saturday morning, a Local Liaison Group (LLG) meeting would be taking place at the Elton Boat Club clubhouse at which points could be raised directly to the applicant and the planning department.
• The meeting agreed that a file containing parish council minutes would be kept in the phone box on Hautboy Lane junction with School and Church Lanes.

1319. **WARMINGTON2031 - NEIGHBOURHOOD PLAN:** All relevant documents had been circulated prior to the meeting. The council extended its huge thanks, on behalf of the whole community, to the Warmington2031 group for the vast amount of work that had gone into the project:

• It was **RESOLVED** that the documents will now be presented the East Northamptonshire Council for the next stage in the process known as the regulation 16 consultation from which the submission to an external examiner will follow.

e) 19/00597/FUL | Erection of single storey dwelling, accessed via 3 Spinney Close (Resubmission of 19/00027/FUL) | Land Between 53 And 59 Church Street Warmington

Applications 19/00597/FUL and 19/00598/FUL were viewed as symbiotic projects with a potentially synergistic effect on the immediate locale and precedent for future development in the parish and dealt with accordingly, by submitting identical representation to the planning authority for both. It was **RESOLVED** that there is no objection but comments would be submitted:

- As the Warmington Neighbourhood Development Plan (WNP) has been approved by the Parish Council for regulation 15 and 16 consultations and examination stage, the applicant should have regard to the contents of the WNP in respect of matters including but not limited to the local liaison group process, design code, housing mix, access to site, car parking and village design statement.

  LOCATION: Elton Quarry, Peterborough Old Road, Eaglethorpe, Warmington, Peterborough, PE8 6SN

- 19/00033/MINFUL: PROPOSED DEVELOPMENT: Phased mineral extraction, construction of a bailey bridge to cross a branch of the River Nene, importation of reclamation material including ancillary activities, with restoration to agricultural pasture and wet woodland
  LOCATION: Elton Quarry Extension, Land North Of Eaglethorpe, Elton Estate, Warmington, Northamptonshire

Applications 19/00035/MINFUL, 19/00034/MINVOC and 19/00033/MINVOC were viewed as symbiotic projects with a potentially synergistic effect on the parishes of Warmington, Fotheringhay and Elton and will be dealt with accordingly.

The chairman gave a short powerpoint presentation which summarised the intention of the application which had only gone ‘live’ the previous Friday and which will require a number of public meetings to ensure people are aware of the extraction and reinstatement process and associated works. So that the parish council is kept apprised of the opinions of the community and so that people are kept abreast of the application, this will be achieved by a number of LLG meetings, commencing the following Saturday.
The parish council will aim to collate representations according to 10 principal areas of potential effect on the wider community:

- Socio-economic effects: Jobs, local spend, financial rates
- Hydrology & Flood risk
- Rights of Way: Nene Way & Greenway
- Ecology
- Air Quality
- Noise
- Landscape & Visual impact
- Transport
- Archaeology & Cultural heritage
- Agriculture & soils

The chairman will ensure that annual village meeting allows for a full airing and discussion of this matter and the parish council will endeavour to work with the planning authority to have the deadline date for public and statutory consultee representations and submissions extended.

h) For information only, there was an update on the ex-working men’s club site development. The clerk is in contact with the housing officer and the S106 officer at East Northamptonshire Council to keep abreast of those pertinent issues. There is to be affordable housing in accordance with the permission granted for the development. People interested in one of the homes should apply in the proper way which would be detailed on the village website.

The had clerk suggested, that, in keeping with sector recommendations and to reflect the government’s interpretation of what the title ‘clerk’ means, a line underneath ‘Clerk to Warmington Parish Council’ clarifying ‘Executive and Responsible Financial Officer’ most appropriate and in line with best practice. It was agreed to nominate Cllr Nikki Howard to sign up to the appropriate websites to receive reports to bring to future meetings.
